AutoCAD Crack + [2022-Latest]

History The first release of AutoCAD Activation Code was released on December 13, 1982 by Autodesk, who named it AutoCAD Drawing Assistant. In late 1982, the name of the first full version of AutoCAD was changed to AutoCAD Drawing, and also changed the application from being a Drawing Assistant to a full-featured drafting program. In 1985, the name was changed again to AutoCAD for Windows. In 1999, the Autodesk.DWG support technology was introduced, providing the ability to read and write proprietary AutoCAD and DWG file formats. In March 2019, Autodesk released AutoCAD LT 2019. AutoCAD LT 2019 retains many of the features of AutoCAD LT 2018, including all CAD base features, and 2D and 3D modeling, along with GIS applications. Autodesk products AutoCAD AutoCAD is a computer-aided design (CAD) application. AutoCAD was originally released on the Macintosh platform in 1982. It supports several CAD file formats, including DWG, DGN, DXF, PDF, and JPG. It is widely used by the architectural and engineering fields. AutoCAD LT AutoCAD LT (formerly AutoCAD Drawing) is the AutoCAD 2000 application that was first released as AutoCAD LT for Windows. It contains the same CAD base features as AutoCAD, but no 3D capabilities. It was discontinued in the macOS version of AutoCAD 2016 and later. AutoCAD LT is a free application for the Macintosh, Windows and Android platforms. AutoCAD LT 2018 AutoCAD LT 2018, also known as AutoCAD LT, is a continuation of AutoCAD LT 2012 for Windows, and was released on January 1, 2013. It contains many of the features of AutoCAD 2013, but also includes features for table creation and conversion from legacy DXF formats. In addition, it incorporates the latest Windows features. AutoCAD LT 2019 AutoCAD LT 2019, which was officially released on March 18, 2019, is an update of AutoCAD LT 2018 that retains many of the features of AutoCAD LT 2018, including the 2D and 3D CAD features. AutoCAD Architecture AutoCAD Architecture is a parametric CAD application that was released in 2007, and is considered by many to be a af5dca3d97
