In the book, the main character's father explains that, as a child, he disliked John, for he thought that John was too different from him. TV adaptation In 2006, HBO and DreamWorks Television developed a television series, based on the book, named The Dangerous Lives of Altar Boys. Jordan Harper was hired to direct, while David E. Kelley was hired to write the pilot script, while Todd Holland was hired to do the opening title sequence. Peter Roth was also hired to do the series' opening titles and closing titles. In December 2006, the pilot was set as having been written by Kelley, with the possibility of following the television series in its third season. It was also revealed that the network was very interested in a third season of the show, especially if the ratings turned out well. Despite that, Dreamworks Entertainment ultimately decided not to renew the show for its third season, due to the financial success of the FOX series, The O.C. During the 2006–2007 United States network television strike, HBO began to air reruns of The Dangerous Lives of Altar Boys. A virtual library which is comprised of reference compounds can be used as a powerful, on-line resource that can be searched for compounds with specific properties. Thus, a virtual library can be linked to (1) databases of structure information, (2) databases of biological activity and inactivity, (3) or to a number of search engines for general compound and structure searching. In this paper, we describe a research project which will start the analysis of several
